## THANK YOU!

for deciding to support Saskatchewan's Ronald McDonald House through your monthly donation. Each month, a gift through your credit card will ensure that the ongoing needs of families and children who need Saskatchewan's Ronald McDonald House will be provided for. Your monthly contribution enables you to spread your gift into manageable portions and enables us to save money by reducing administration, paper and postage costs.

One annual tax receipt will be generated at year-end for your total year's donation.
