

Preventative Maintenance Volunteer

As a member of the Preventative Maintenance Team, you play a significant role in creating a comfortable and welcoming environment for our families. Under the direction of the Facility Coordinator you will assist with the care and maintenance of important appliance and equipment that are important to making the families safe and comfortable. We value teamwork and collaboration and we are grateful that you are a part of the Ronald McDonald House Saskatchewan Team!

Responsibilities

- Be willing to complete maintenance tasks as directed by the Facility Coordinator.
Tasks would include:
 - Check HP filters in laundry rooms and common areas
 - Clean lint traps in dryers
 - Clean ice maker
 - Ensure outdoor garbage and cigarette butt holders are emptied
 - Floor cleaner maintenance
 - De-lime dishwashers
 - Clean exhaust hoods
 - Deep clean washers and dryers
 - Other duties as they come up
- Communicate your availability to the Facility Coordinator and commit to a regular biweekly schedule as well possible monthly projects/items.
- Communicate House or work issues with Facility Coordinator and complete check list.
- Clean up after each work session.
- Be welcoming and friendly to all guests of Ronald McDonald House

Necessary Skills

- Willingness to get your hands dirty!
- Dependable – must be able to commit to a regular schedule.
- Independent – we will train and resource you, but most of your work will happen independently of Staff.
- Physically capable – some of the work can be physically demanding with some jobs requiring 4 hands.
- Skilled in work safe practices.
- A friendly and enthusiastic demeanor!

Estimated Time Commitment:

- 1-2 hours every week plus occasional projects and check-in meetings.
